INVESTMENT STRATEGY

- Stable returns over the medium to long term by investing primarily in fixed income instruments such as Eurobonds.
- A conservative approach focused on capital preservation and consistent income, with minimal exposure to market volatility.
- No investment in equities or high-risk instruments, in line with the fund's low-risk profile.
- Managed in accordance with the rules and guidelines of the Financial Regulatory Authority (FRA) in Egypt.

WHY INVEST IN THIS FUND?

- ✓ Stable, predictable returns through exposure to low-risk fixed income instruments.
- ✓ Ideal for conservative investors seeking capital preservation with steady income.
- ✓ Professionally managed in compliance with FRA regulations.
- ✓ A diversified portfolio of government securities and high-quality corporate bonds.
- ✓ Limited exposure to market volatility compared to equity-based funds.
- ✓ High USD investment returns.
